

CAPABILITY STATEMENT

TrendTech Logistics delivers tailored project management and logistics solutions designed to enhance operational efficiency and achieve measurable results. With extensive experience managing complex IT projects, transportation logistics, and program support, we specialize in streamlining operations, optimizing budgets, and meeting critical deadlines. Our proven track record across diverse industries highlights our commitment to excellence and innovative problem-solving.

AWARDED CONTRACTS

State of Georgia Department of Public Health (Oct 2022 – Feb 2024) – Prime Contractor

- Managed shuttle transportation services for approximately 100 staff members daily, ensuring operational efficiency and staff satisfaction.

Texas Facilities Commission (Aug 2022 – Present) – Prime Contractor

- Directed logistics for the transportation of surplus military and federal equipment nationwide, streamlining operations for government assets.

Clayton Channing Consulting (Aug 2023 – Feb 2024) – Subcontractor

- Delivered project management services for UPS construction renovations, overseeing labor coordination, progress reporting, and project execution.

Center for Black Women's Wellness (Apr 2023 – Aug 2023) – Prime Contractor

- Provided project management for a 4-month wellness program for individuals with high blood pressure, coordinating trainers, health plans, and daily blood pressure check-ins to support improved outcomes.

Kaiser Permanente (Jan 2018 – April 2020) – Subcontractor

- Delivered IT Project Management services for facility builds, expansions, and renovations. Oversaw projects valued between \$5M–\$30M while managing budgets, labor costs, and stakeholder communication.
