

## CAPABILITY STATEMENT

TrendTech Logistics is a leading project management firm dedicated to delivering comprehensive, results-driven solutions to local, state, and federal clients. With a strong foundation in project and program management, we bring structure, clarity, and measurable performance to complex initiatives across multiple sectors. Our team excels in integrating data analytics, reporting, and administrative support to enhance decision-making and ensure transparency throughout every project phase.

### AWARDED CONTRACTS

- Region One Purchasing Cooperative (ROPC) Professional Consultant Services (Jan 2025 - Active) - Prime Contractor**
  - Providing project management, logistics, and consulting to public schools, universities, and city governments, ensuring compliance and operational efficiency.
- Clayton Channing Consulting (Aug 2023 - Feb 2024) - Subcontractor**
  - Provided project management for UPS construction renovations, ensuring efficient labor coordination, progress tracking, and project execution to meet project timelines and quality standards.
- Center for Black Women's Wellness (Apr 2023 - Aug 2023) - Prime Contractor**
  - Led a 4-month wellness initiative for individuals with high blood pressure, managing trainer coordination, personalized health plans, and daily monitoring to improve participant outcomes.

- Kaiser Permanente (Jan 2018- Apr 2021) - Subcontractor**
  - Data Analytics and Reporting:** TrendTech Logistics provided data analytics and reporting services to Kaiser Permanente. Our team extracted and analyzed data from the CRM system, delivering detailed reports to senior leadership. These reports enhanced decision-making processes and operational efficiency across departments.
  - Project Management:** TrendTech Logistics managed IT infrastructure and construction projects exceeding \$10 million for Kaiser Permanente. We oversaw labor deployment, staff timesheet management, and project expense forecasting and budgeting. Our project management ensured timely completion and adherence to budgetary constraints, contributing to improved operational effectiveness.
