

CAPABILITY STATEMENT

TrendTech Logistics delivers tailored project management and logistics solutions designed to enhance operational efficiency and achieve measurable results. With extensive experience managing complex projects, transportation logistics, and program support, we specialize in streamlining operations, optimizing budgets, and meeting critical deadlines. Our proven track record across diverse industries highlights our commitment to excellence and innovative problem-solving.

AWARDED CONTRACTS

- Region One Purchasing Cooperative (ROPC) Professional Consultant Services (Jan 2025 - Active) - Prime Contractor**
 - Approved vendor under RFP 24-0162, providing project management, logistics, and consulting to public schools, universities, and city governments, ensuring compliance and operational efficiency.
- Georgia Department of Public Health (Oct 2022 - Feb 2024) - Prime Contractor**
 - TrendTech Logistics managed the Georgia Department of Public Health's staff shuttle service, ensuring timely transport for 100+ employees daily. Through strategic route planning and subcontractor oversight, we improved efficiency and reduced costs by 15%, maintaining reliability while staying within budget.
- Clayton Channing Consulting (Aug 2023 - Feb 2024) - Subcontractor**
 - Provided project management for UPS construction renovations, ensuring efficient labor coordination, progress tracking, and project execution to meet project timelines and quality standards.
- Center for Black Women's Wellness (Apr 2023 - Aug 2023) - Prime Contractor**
 - Led a 4-month wellness initiative for individuals with high blood pressure, managing trainer coordination, personalized health plans, and daily monitoring to improve participant outcomes.
- Texas Facilities Commission (Aug 2022 - Active) - Prime Contractor**
 - We successfully managed the Texas Facilities Commission's transportation of surplus military and federal equipment nationwide. Our expertise reduced logistics costs, ensuring timely and compliant deliveries.
