

TrendTech Logistics provides Operational Logistics, Intelligence & Visibility solutions that help government agencies, contractors, and commercial organizations coordinate people, vehicles, materials, supplies, and operational resources.

We combine hands-on logistics execution, transportation coordination, data-driven intelligence, and technology-enabled visibility to improve accountability, operational awareness, resource movement, and decision-making across transportation, construction, public works, emergency management, infrastructure, and mission-critical operations.

Our capabilities extend from passenger and fleet transportation to material movement, construction logistics, asset coordination, and technology-enabled operational management.

→ AWARDED CONTRACTS

Transportation & Freight Delivery - Private-Sector Logistics Operations (Aug 2026 – Active)

- TrendTech Logistics provides 26-ft box truck transportation for palletized freight, supporting Amazon-related operations, shippers, warehouses, distribution centers, USPS locations, and other logistics facilities. Services include scheduled pickup and delivery, facility-to-facility freight movement, route coordination, driver scheduling, and time-sensitive transportation operations.

DeKalb County Government – Human Services Department (June 2025 – Active)

- TrendTech Logistics supports non-emergency medical transportation (NEMT) operations for DeKalb County's Human Services Department senior mobility programs. TrendTech provides non-emergency medical transportation (NEMT) operations, including route coordination, trip management, and door-to-door service delivery for senior mobility programs.

Hartsfield-Jackson Atlanta International Airport (July 2024)

- Coordinated a comprehensive charter bus tour for 50 staff members around the Greater Atlanta Area, ensuring seamless transportation and scheduling to enhance team engagement and local awareness.

State of GA Department of Public Health (Oct 2022 – Feb 2024)

- TrendTech Logistics managed the Georgia Department of Public Health's staff shuttle service, ensuring timely transport for 100+ employees daily. Through optimized route planning and subcontractor coordination, we improved efficiency and reduced costs by 15% while maintaining reliability.

Texas Facilities Commission (Aug 2022 – Active)

- We successfully manage the Texas Facilities Commission's transportation of surplus military and federal equipment nationwide. Our expertise reduced logistics costs, ensuring timely and compliant deliveries.
