

TrendTech Logistics is a leading project management firm dedicated to delivering comprehensive, results-driven solutions to local, state, and federal clients. With a strong foundation in project and program management, we bring structure, clarity, and measurable performance to complex initiatives across multiple sectors. Our expertise extends to acquisition support guiding clients through the full procurement lifecycle from market research and solicitation development to post-award compliance. We also excel in integrating data analytics, reporting, and administrative support to enhance decision-making and ensure transparency at every phase of a project.

→ AWARDED CONTRACTS

San Antonio Independent School District (SAISD) Miscellaneous Consultant Services
(July 2025 – Active) – Prime Contractor

- Providing on-call consulting services including project and program management, data analysis, acquisition support, logistics coordination, and administrative solutions. Supporting SAISD departments with compliance-driven strategies and operational improvement initiatives.

Region One Purchasing Cooperative (ROPC) Professional Consultant Services
(Jan 2025 – Active) – Prime Contractor

- Providing project management, logistics, and consulting to public schools, universities, and city governments, ensuring compliance and operational efficiency.
